Orange is the colour of joy and creativity

The children of pre primary celebrated Orange Day with zest . Orange is a dynamic colour and stimulates imagination and creativity. It was indeed a pleasure to witness little kids, dressed up in shades of orange. The classroom was beautifully decorated with orange colour things. Students spoke few lines about the objects they brought.

Sight Word Hopscotch

Sight word hopscotch activity, is a great way to make sight words learn quickly. Sight words are common words that kids recognize instantly without sounding them out. Our children got the opportunity to play an old fashioned game and practiced their sight words at the same time.

Meridians Gleaming Diyas

Diwali is the festival of lights which is celebrated in various regions across India. On this occasion, our pre primary kids celebrated Diwali with enthusiasm. Students were dressed up in ethnic attire and took a pledge to say NO to crackers. Children decorated diyas with paints and kundans, guided by their teachers.

परिपकारी पेड़

पेड़ हमारे बहुत काम आते हैं। पेड़ धरती को हरा-भरा और शुद्ध रखते हैं। हमें पेड़ों को कटने से बचाना चाहिए और अधिक से अधिक पेड़ लगाकर पर्यावरण को शुद्ध रखना चाहिए। छात्रों को इस विषय पर जागरूक करने के लिए और पेड़ों का महत्व समझाने के लिए, उनके मनपसंद फलदार पेड़ का चित्र बनाकर उसके विषय में कुछ वाक्य बोलने के लिए कहा गया।

Les Fêtes Françaises

Les étudiants apprennent les fêtes différentes en France comme Noël, la pâque, la fête des rois, la fête des mères, la fête des pères, le Mardi Gras etc. Le professeur encourage et explique comment célébrer les fêtes en France.

संस्कृति का महत्व

दिवाली हिन्दुओ का प्रमुख त्यौहार है। यह दीपो का त्यौहार है। यह त्यौहार बुराई पर अच्छाई की जीत का सन्देश देता है। इस दिन भगवान राम अपना बनवास काटकर अयोध्या वापस आए थे। भगवान राम ने विषम परिस्थितियों में भी सफलता प्राप्त की, उन्होंने हमेशा मर्यादा का पालन किया और हमेशा न्याय और सत्य का साथ दिया। उनके गुणों को अपनाने का सन्देश देते हुए और अपने संस्कृति का महत्व बताते हुए बच्चों से एक गतिविधि करवाई गई।

విద్యార్థుల సృజనాత్మకత

5 వతరగతి విద్యార్థులు నీటి ఆవశ్యకతను తెలుపుతూ పోస్టర్లు తయారు చేశారు. అలాగే వారు తయారుచేసిన పోస్టర్ లో అవసరమైన సమాచారాన్ని సేకరించి, ఆ పోస్టర్ లో విద్యార్థులు వారి సృజనాత్మకతను చూపించారు. పోస్టర్ల ద్వారా విద్యార్థులు సమాచారాన్ని ఇతరులకు ఎలా తెలపవచ్చు అనే విషయాన్ని గురించి తెలుసుకున్నారు. పోస్టర్ల ద్వారా మనకు కలిగే ఉపయోగాలను గురించి తెలుసుకున్నారు.

లేఖన నైపుణ్యం

పక్షుల బొమ్మలను చార్ట్ పై అతికించడం వలన, పక్షుల గురించి వ్రాయడం వలన వారు లేఖన నైపుణ్యం పెంపొందించుకున్నారు. బొమ్మలను అతికించడం వలన వారు హస్తలాఘవ నైపుణ్యాన్ని మరియు సృజనాత్మకతను పెంపొందించుకున్నారు. చాలా రకాల పక్షుల గురించి తెలుసుకున్నారు. విద్యార్థులు లేఖన నైపుణ్యాన్ని పెంపొందించుకోవడానికి జిజ్ఞాస చూపిస్తారు.

Les Choses dans la Salle de Classe

Les étudiants apprennent les choses dans la salle de classe et le professeur encourage les étudiants à identifier des choses différentes dans la classe.

Do More Of What Makes You Happy

Regardless of age, most children have one or other hobbies. Some of the hobbies that children have that they can pursue in their lives. The idea is to provide an opportunity for the student to relax. Teacher provided a platform to the students to let their hidden talent come out and bloom into perfection. Grade 5 students chose a hobby which they find interesting and fun.

Start Writing, No Matter What!

Paragraph writing is an essential skill. A well structured paragraph is the foundation of great writing. Teacher asked grade 4 students to write a paragraph about something that they did on Diwali. Students put forth their best effort in writing a paragraph on Diwali.

Only Children Believe They Are Capable of Everything

Every word has its own meaning. Compound words are made from two or more different words that have been grouped together to create a new word . Hands- on games and activities make learning more fun. Teacher introduced compound words through an activity and made them feel like superheroes for being able to read and spell such long words.

Almost all creativity requires purposeful mind

Writing a poem is not about bringing some words together to create some charming sentences. It is much deeper than that. Learning how to write poetry is a fun and engaging process. Our grade 2 students composed using some magnetic words.

The Biological Basis Of Behaviour And Development

Students of Grade-8 made a model of Human Endocrine System. They used a chart paper, dough to make the model. They traced out the human body on a chart paper and located endocrine glands using dough. This activity helped them enhance their knowledge about identification of endocrine glands, their location and importance.

Be Brainful..... Be Beautiful

Students of Grade-5 made a model of brain as a part of hands on experience. They knead a small lump of atta softly and made it in the shape of brain. They placed it on an A4 size sheet. They gave strokes on the model brain to represent the nerves. They learnt about different parts of brain, their shape and size through this activity. This activity enhanced their identification skills of brain parts and their importance.

The Beautiful Thing About Learning is That No One Can Take It Away

Vroom, Vroom! Grease your wheels, start your engine, and get ready to roll.

Here our Meridian of grade-5 made models of transportation with dough.

Learning about transportation is a great opportunity for creativity and imagination. Students understood all about the different vehicles and modes of transport by the end of the lesson.

Two of the Greatest Gifts We Can Give Our Children Are Roots And Wings

Festivals bring people together for sole purpose of celebration and happiness. Other than that, festivals also help us embrace our culture and religion. Teacher involved and encouraged Grade 3 students to be creative while preparing the Web Chart, showing the different Religious, National and Harvest Festival. It is important for a child to know significance of each festival.

If you cannot measure it, you can't improve it...

By Lord Kelvin

Grade-5 students have done the measurement activity by pasting the pictures which are related to the units. Teacher helped students to identify what they were measuring was to have them do a sort. Students read about several real-world measurement scenarios and decide what is being measured: length, weight, or capacity.

Every Child is a different kind of flower and all together makes this world a beautiful garden.

November 14th is celebrated as Children's Day or Bala Divas every year in India. A day marking childhood and to make this event memorable for our little ones, Meridian school celebrated Children's Day in the school premises. Teachers gave various performances for the students in order to exhibit their love and affection for them. Students cheered their teachers on as they saw them. The day commemorated with immense joy, enthusiasm and magnificence.
